ATARRH | For Over Two Years my little girl's life was made miscrable by a

HILDREN case of Catarrh. The discharge from the nose was large, constant and very offensive. Her eyes became inflamed, the lids swollen and very painful. After trying various remedies, I gave her S. S. S. The first bottle seemed to aggravate the disease, but the symptoms soon abated, and in a short time she was cured.

Disturbed the Burglars. About 1 o'clock yesterday morning Officers Demosey and Byrnes board suspicious

noise in the rear of building at Thirteenth and Leavenworth and proceeded to make an investigation. They were just in time to hear of the escape of a couple of burglars from the night watchman. The thleves captured no plunder and made good their escape down the rull-way tracks leaving the door open. A dis-trict messenger was placed in charge of the premises for the rest of the night.

STILL ANOTHER STATEMENT

Delegates to the Dakota Convention Tell of the Business Done, Speaking of the results of the convention and the attitude of the republicans of South Dakota, R. E. Grimshaw said vesterday to a

BEE reporter: "The Mellette faction in the convention got completely routed although burdened the telegraph wires with a great deal of stuff trying to make it appear that the Moody-Pettigrew faction had been downed and that the Moody-Pettigrew men were opposed to the renomination of Mr. Harrison.

"Now we want THE BEE to set the matter properly before the people. In the first place there was no opposition to speak of, to the renomination of Mr. Harrison. As soon as the republicans of South Dakota realized that Blaine's nomination would be out of the question they were practically unanimous for Harrison. But the Mellette faction thought they could arouse sympathy for their particular faction by posing as the appeals champions of the administration and making it appear that the Moody-Pettigrew faction was likewarm and unsettled. But we downed them at every ture in the road. The entire delegation elected to attend the Minneapolis convention is satisfied, and I don't see how the Mellette men can possibly draw the least bit of con-

solation from the result of the convention.
"Nye Phillips is one of the strongest and most pronounced Pettigrew men in South Dakota. The Meliette men made a special fight on him, declaring that he should not go to the Minneapolis convention. We elected him by a vote of over 400 out of a total of 600

the convention.
"The Moody-Pettigrew faction had at least four-fifths of the delegates to the state convention. Senator Moody will head the delegation to Minneapolis and the delegation will go solid for Harrison."

Speaking of the state nominating conventions.

tion Mr. Grimshaw said:
"Our nominating convention will in all probability be held at Hot Springs and will probably not be called before the early part of August. Beadle county will have a for-midable candidate for governor. He is a farmer and his name is Davis.
"Mr. Sol Star of Deadwood will, I think,

be our next congressman from the Hills dis-trict. Mr. Star is mayor of Deadwod and is engaged in the hardware business." Mr. Star was seen by a Ber reporter and talked freely upon the political situation. He said: "The people of South Dakota are for Mr. Harrison. We would have favored the pomination of Mr. Blaine, but that is out of the question. Here is a resolution passed by the county convention of Lawrence county, the county in which Deadwood is located and the home county of Senator Moody. That explodes the stuff you have seen about Sena-tor Moody and his friends being opposed to

the renomination of President Harrison. Here is the resolution: 'Resolved, That we, the republicans of Lawrence county, in convention assembled, to heartily favor the renomination of Ren-ism a Harrison as president of the United states.'

Mr. Grimshaw, Mr. Star and Mr. Hayce made a pleasant call at THE BEE office. He led the German and his dudish dress was the admiration of the assembled fair, but his stout partner slipped on his favorite

corn. Sensation! Salvation Oil to the rescue.

Happiness again! Nothing is more provoking than a trouble-some cough. Cure it with Dr. Bull's Cough Syrup. 25c. Y. M. C. A. Mr. Wood had hardly finished speaking, when a wood had hardly inished speaking, when a ittle girl came in the store with an empty bottle. It was labeled, "Chamberlain's Pain Balm."
